

Comprehensive Waste Services for Every Commercial Site

Your Single Source for Commercial Waste Solutions

Progressive Waste Solutions meets every commercial waste need with convenient end-to-end services customized to your requirements — at very competitive prices. One call does it all for:

- Collection
- Hauling and disposal
- Help with regulatory or compliance issues
- Compacting
- Diversion and recycling services

A Full Range of Container Options

Choose from a complete range of bins and sizes, including:

- Roll-off containers from 10 to 40 yards
- Flat or slant-style containers from 2 to 8 yards
- Castors for efficient handling and moving
- Security locks

Compactors

Progressive can supply compactors with roll-offs as needed to help manage your waste.

Progressive Waste Solutions is a trusted advisor for our waste and recycling services ensuring Coldwell Banker is compliant in each local market. We receive excellent value for the services provided.

Shirley Mehus
Coldwell Banker, Horizon Realty

Customized, Proactive Collection Services

Bins and roll-offs will be delivered and serviced according to your specifications. In addition, our drivers will inspect your containers at every pick up and ensure any maintenance issues are immediately corrected.

Flexible, Hassle-Free Service

Need to make a change? Make one quick call to our local customer service representatives to get it handled fast.

Diversion & Recycling Solutions

Meet your sustainability goals. We offer diversion and recycling services for a wide variety of materials including cardboard, plastic containers, office paper, newsprint and more.
